15. I am made to feel welcome at this Nursery.	86%	14%	100%				
16. I would recommend this Nursery to another parent.	90%	10%	100%				

Quotes from the survey

My child is always happy when we talk about nursery at home and is happy to go in every morning, this shows what a great job you all do. Thank you.

My child loves coming to nursery and talks about all of the staff. She has progressed in all areas of development and this is down to the support and encouragement of the team. Thank you for all you do, especially the patience of Sadie and Laura when I have needed to change days.

Very good nursery. Staff are always friendly and you can tell that they really enjoy what they do. Always impressed!

Couldn't be happier! We feel very lucky to have such a wonderful nursery on our doorstep.

We are extremely happy with the nursery, your Ofsted rating is very well deserved.

My child is and has always been happy coming into nursery. We have been so grateful for the wonderful care she has received, we believe that her time at nursery has really built her confidence. Staff always take the time and care to talk and answer any questions at pick up. It is so lovely to know what my child has been up to, along with meal/toileting basics. As ever, thank you so much!

We love the pictures and updates of what he has been up to and the artwork that comes home.

Little Beeches has been such a wonderful pace to send my little boy, they have been so helpful/accommodating. My son has come on leaps and bounds. It is such a joy to see him so happy to run into nursery, all staff have been fantastic.

The regular updates and photos on the app are great, as a full time working parent it is nice to see what my child is getting up to at nursery.

I was initially nervous leaving my son with people I didn't know, as would any first time parent. But soon that all changed, we are both always welcomed and I always get the best updates on his time at nursery. All the staff are very friendly and really take the time to get to know you and your child. I would recommend Little Beeches to all my other soon-to-be mum friends!

Points to consider

It would be good if behaviour strategies were documented so that it can be worked on at home.

Snacks- writing on the app what snacks the children have in the baby room.

It would be great to see observations outside using the animal space during the holidays.

I've scored the food slightly lower because some of the food is too complex.

More picture updates if possible as I enjoy seeing them.

Thank you for responding to our survey.

As always, if you have any questions or concerns, however small, please do not hesitate to contact us!

Kind regards,

Sadie Rowe Nursery Manager
