

Welcome to
Ab Kettleby
Primary School

Hello!

Colour me in!

This is your new school.

We can't wait to meet you!

This is Miss Bray.

Miss Bray will be
your class teacher.

She will be there
every day to help
you to be happy and
to learn.

This is Mrs Gent.

Mrs Gent works with Miss Bray in your class. She will be there every morning to help you to enjoy school.

This is your classroom.

It has inside parts

...and outside parts!

There are lots of things to build with.

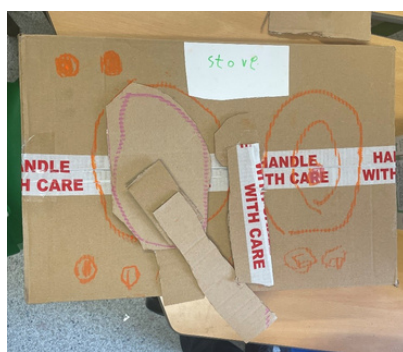

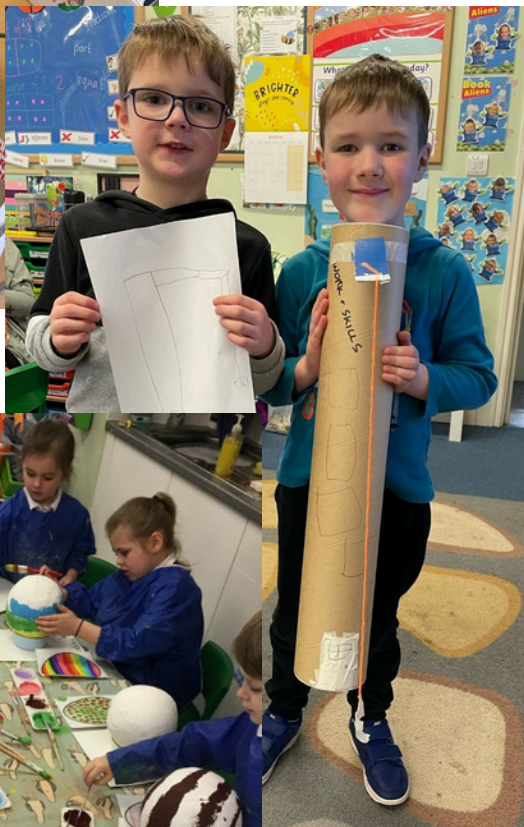

There are lots of books
to read and share
together.

We have lots of things to make with.

There is a home corner.

And water to play with!

You could play with

the dinosaurs.....

...or the fairies!

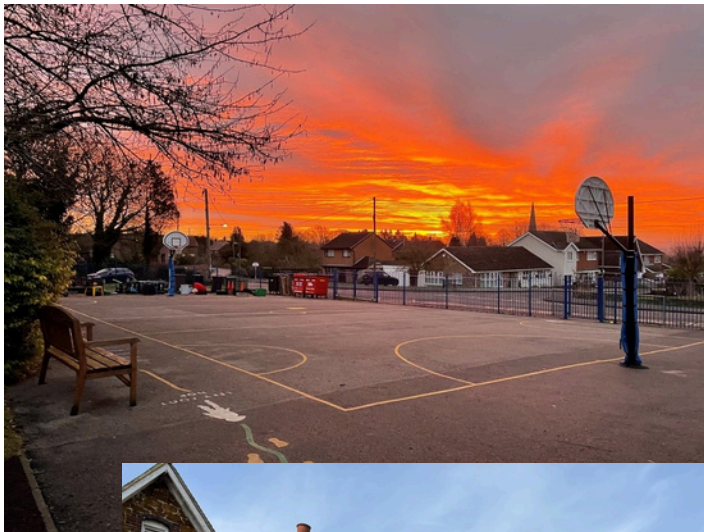

You could send messages to whoever you like.

This is our playground.

We play here every day.

This is our field.

We play here in the summer.

We go to Forest School
on our field.

We play, make, take risks and work together here.

These are your lockers.

Your bag and coat
can go in here .

These are the toilets.

An adult will show you how to get here.

Don't forget to ask an adult if you need the toilet!

This is our school hall.

You will eat your dinner here,

Go to assembly,

And do PE in here.

See you soon!
