

## WELCOME TO CLASS 2!

Our Autumn term has explored what it means to be unique. So far we have focused on stories such as 'Where Oliver Fits', 'My Monster & Me' and 'Grandad's Island'. All stories have explored why being one-of-a-kind is so important and staying true to yourself is a beautiful quality.

Class 2 have written their own creative narratives based on the books and additionally, they have written formal & informal letters. We have continued to discuss our topic in lessons such as PSHE, art and music, as well as exploring religious festivals in RE.

In maths, class 2 have explored place value with a particular focus on part-whole models, grouping objects & numbers, and number bonds to 100 and 1,000. We are also beginning to expand our timetables knowledge and will continue to work on this throughout the year.

Finally, class 2 have started to expand their knowledge on light and so far have explored light sources, reflection and sun
