We have had a fantastic end to the year as we completed our "Amazing Americas" topic. The children put their new Google Chromebooks to great use, working in pairs to create impressive travel presentations about their favourite country in the Americas. They researched and shared information about the climate, famous landmarks, traditional food, and even well-known celebrities from their chosen country. It was wonderful to see the children's confidence, teamwork, and presentation skills continue to grow.

This half term has been packed with creativity, teamwork, resilience, and exciting experiences beyond the classroom. Our Year 5 and 6 children kicked things off with an unforgettable three-day residential at Mount Cook. They challenged themselves with rock climbing, abseiling, high ropes, orienteering, land karting, and a range of team-building activities. It was fantastic to see everyone stepping outside their comfort zones, encouraging one another, and creating memories that will last a lifetime.

Our Year 5 children also had the exciting opportunity to visit JFC for a writing workshop with author Ben Davis, best known for “My Dad is Definitely Not a Crime Lord.” They enjoyed hearing about his journey to becoming an author, discovering where he gets his ideas from, and taking part in creative writing activities. The workshop inspired the children to think like real authors, and they returned to school full of enthusiasm, confidence, and plenty of exciting ideas for their own writing.

Back at school, we spent lots of time rehearsing for our end-of-year show, Grimm. The children worked incredibly hard to learn their lines, songs, and stage directions, and all of their hard work paid off. Their performances were full of confidence, enthusiasm, and humour, making for a brilliant show with plenty of laugh-out-loud moments. We were so proud of every single child for giving it their all.

To celebrate the end of primary school, our Year 6 children enjoyed a well-deserved trip to Jump Giants! After a year of hard work, determination, and many achievements, it was the perfect opportunity to celebrate together and make a few more special memories before moving on to their next adventure.

As another school year comes to an end, we couldn't be prouder of everything the children in the Hive have achieved. They have embraced every challenge with enthusiasm, shown kindness and resilience, and grown in confidence throughout the year. It has been a privilege to watch them learn, laugh, and succeed together. We wish our Year 6 children every success as they begin the next exciting chapter of their journey and we can't wait to see what the future holds for them.
