Welcome!

Welcome!!

- Housekeeping
- Introductions
- Rationale:
 - to feedback and suggest improvements, to help promote positive and effective two-way communication between parents and the Trust. **The improvement of children's learning experience** is the Forum's clear and consistent goal.
 - During these meetings **we will not** be discussing items relating to specific pupils, specific parents or individual staff: this should be discussed one to one with the relevant teacher or Headteacher as appropriate.

Spring Term 2023:

Ofsted Feedback

Areas For Improvement:

Some subject leaders have not had time to check how well the intended curriculum is being implemented in their subjects. This means they are unaware of the quality of learning that is taking place. Subject leaders need to ensure they regularly check that the intended curriculum is being delivered to a high quality and that pupils can remember and apply what they have been taught.

A small number of pupils do not have a full understanding and tolerance of the individual needs of others. This may hamper their readiness for the next stages of their education. Leaders should ensure that pupils learn more about difference and diversity so that they are fully prepared for the next stages in their education

Feedback from Parents: What is Working Well?

Communication. I always feel like I'm kept in the loop.

Bringing learning alive! The Viking day, gingerbread man, on his travels, show trip etc has been a big hit and such a fun way to learn.

Offering for sports activities and strong parent engagement with school to further enrich all children.

Feedback from Parents: What could we improve?

The school meals seem to not be as good as they could be, in the opinion of both of my children. This has meant that they have chosen to opt for home packed lunches. This seems a shame as I feel they could have benefited more from having better quality hot meals in the daytime. That said, I respect that this is largely outside of your control and is merely more feedback than a point towards change.

The after school choir group was a massive hit with all those who took part and I know its really being missed by the children. Understand the difficulties but is a shame can only be offered during autumn term. The singing in assembly is enjoyed but its not quite the same. Just wanted to share how much choir was enjoyed,
