

English for Week 5 Year 1

This week we are going to think about writing another story. Each day we are going to be adding another idea in and so by Friday you should be ready to write an amazing story. This week we thought it would be nice to write an adventure story and so we are going to go into space! (We have read many stories about space including 'Man on the Moon' and 'The Way Back Home'. You may have a book at home, or could find one on YouTube if your child needs some inspiration) Whatever you do, have fun with it!

Monday

Think about a character who likes to explore. They are going to go into space, so may be an astronaut or somebody who goes by mistake! Will it be a boy, a girl or an animal? How are they going to get into space? Will it be on a rocket ship, or by making a rocket out of junk modelling, or did they go up in an aeroplane, or hot air balloon?! Can you draw your character, give them a name and write a few adjectives about them. Then can you draw how they got into space and write again write some adjectives about their space craft.

Tuesday

Today you are going to think about where the character will end up. Are they travelling around in space, or will they land on a different planet? Think about what you can see where you end up, what you can hear, or smell! Can you draw a picture of where your character is and may be write a couple of sentences describing what it's like to help you write your story later in the week?

Wednesday

Now think about what might happen to your character. Will they meet an alien, or somebody else in space? Will they have an adventure? Can you draw a picture showing what happens in your story and write a couple of descriptive sentences to go with it?

Thursday

We are almost ready to write! But first we need to think about how your story might end. How is your character going to get home? What will their Mum or Dad say when they arrive home? Will they believe them?! Are they going to get home?! Can you write a couple of sentences explaining what will happen?

Friday

Now we can write! Can you write a short story about your characters telling us how they got into space, what happened when they got there and if they got home? Remember we have written a few things already along the way, so use these in your story now and then you won't have to think about writing too many new things!

We can't wait to see what you come up with.
