

Maths Challenges Week 11th May.

How were the angles Year 6? Did any of those different decimal questions trick you Year 5? Did you get the right amount of money Year 4? I hope you all managed to give them a good go. Did you find any different answers or methods?

Mistakes make your brain grow so if you (or an adult) noticed any then that's alright.

This week's maths tasks can all be accessed using the link below and using the instructions on the next page.

www.whiterosemaths.com

Each lesson has:

- A handy video that takes you through each lesson and how to answer the questions.
- A set of questions "Get the Activity"
- Answers to the questions – If you've made a mistake that's alright. Can you see how to work out the correct answer?

Tips

Please do not feel the need to print out each set of questions – most of these can be written out (by the children) in their home learning book.

If the activity suggests showing with resources and you do not have these then the children can draw how they would do this.

If the activity suggests comparing with a partner, then there will often be more than 1 way to answer the question. Can the children think of another way to approach the question? Can the children explain/write down their method?

Summer Term – Week 3 (w/c 4th May)

| | |
|---------------------------------------|---|
| Summer Term - Week 4 (w/c 11th May) | + |
| Summer Term - Week 3 (w/c 4th May) | + |
| Summer Term - Week 2 (w/c 27th April) | + |
| Summer Term - Week 1 (w/c 20 April) | + |

| Year 4 | |
|----------------------|---|
| Mon 11th | Multiply 2-digit number by 1 digit number |
| Tue 12th | Multiply 3-digit number by 1 digit number |
| Wed 13th | Divide 2-digit by 1-digit number |
| Thu 14 th | Divide 3 digit by 1-digit number |
| Fri 15 th | Maths Challenge |

| Year 5 | |
|----------------------|-------------------------------|
| Mon 11th | Multiply 2-digit numbers |
| Tue 12th | Multiply 4-digits by 2-digits |
| Wed 13th | Divide with remainders |
| Thu 14 th | Calculate perimeter |
| Fri 15 th | Maths Challenge |

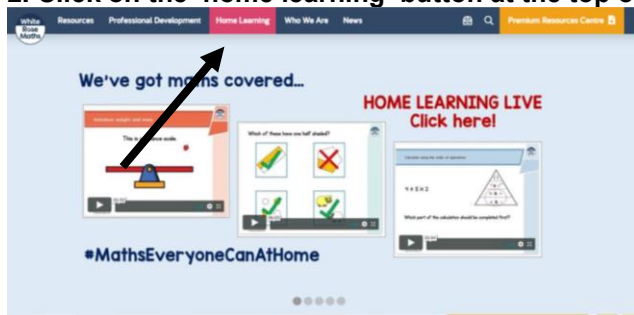

| Year 6 | |
|----------------------|--------------------------------|
| Mon 11th | Simplify fractions |
| Tue 12th | Compare and order fractions |
| Wed 13th | Add and subtract fractions |
| Thu 14 th | Mixed addition and subtraction |
| Fri 15 th | Maths Challenge |

How to access the relevant learning

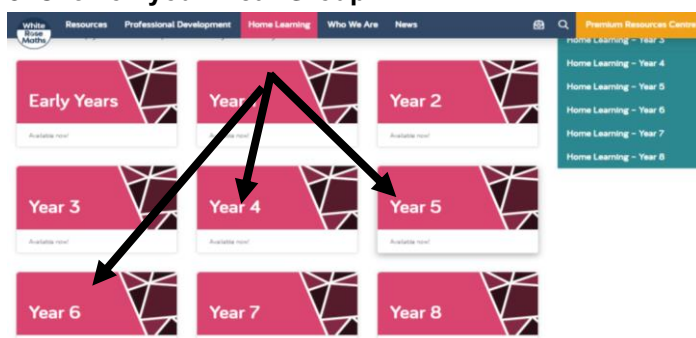

Hopefully the instructions and pictures below will help you to access the webpage and relevant work.

1. Go to www.whiterosemaths.com

2. Click on the 'home learning' button at the top of the page.

3. Click on your 'Year Group'

4. Watch the handy video

Lesson 1 - Decimals up to 2 dp

5. Have a go at the questions

Lesson 1 - Decimals up to 2 dp

6. Check your answers

Lesson 1 - Decimals up to 2 dp
