

The Mystery of the Rainbow Gold

It was early on Sunday morning when the leprechauns realised that the pot of gold had been taken from the end of their rainbow. The leprechaun that had been guarding the rainbow overnight said that he had seen a cheeky goblin sneaking around.

As the Detective Chief Inspector in Rainbow Valley, it is your job to discover which goblin has taken the gold. You have taken down names and descriptions of all 20 goblins in Rainbow Valley. There are five important clues that have been discovered.

To crack the case, you will need to solve each clue and check the information with the list of names. Will you be able to solve the mystery and find out who took the gold, before the sun sets and the rainbow disappears forever?

Good luck!
